

BRINSOP COURT

ESTATE

Your magical
day starts
with us...

You & Your Day

Dreaming of the perfect wedding venue? Brinsop is the perfect Manor wedding venue and so much more! Think flower petals on the grass as a swan glides across the moat, the sounds of clinking glasses ringing out from the house, photographs in the woodland as the sun sets during golden hour, dancing under the stars with everyone you love.

Set amongst the rolling, green hills of Herefordshire's countryside, Brinsop has been carefully restored. A 14th Century manor house encircled by a moat, a traditionally built oak barn and two idyllic cottages, all nestled within 800 acres of farmland and wonderfully preserved nature.

You'll have exclusive use of the entire 800-acre estate, including the 14th Century Manor House wrapped by water, our picturesque grounds, farmhouse cottages and traditional barn, The Knot.

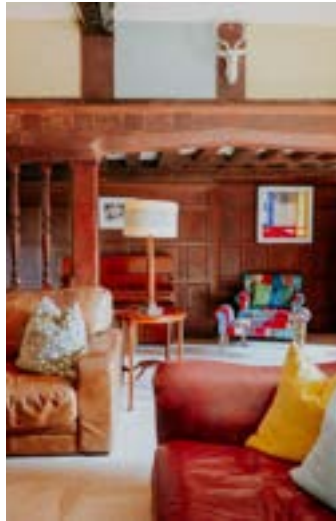

The Manor House

The Main House at Brinsop Court offers a warm welcome to your wedding party with its characterful entrance hall and three large reception rooms.

The majestic Banqueting Hall is interchangeable as the ideal room for your civil ceremony (up to 120 guests) and/or your wedding breakfast (up to 50 guests). The traditional Library with a huge open fireplace, allows for a spacious drinks reception or a Ceremony.

The Games Room's charm creates a focal point for your day to begin. Bailey Lounge offers a place of quiet and relaxation for young and old alike. There are three kitchens that give you space to keep your guests feeling like they are at home during your stay with us. The house has 18 unique bedrooms, providing sleeping arrangements for up to 33-47 of your guests.

'Your wedding, Your way...'

The Knot Barn

In 2020 we completed The Knot Barn, a traditionally built oak barn with a feature bar and magical views over the landscaped gardens and Herefordshire countryside. With floor-to-ceiling windows that open along the whole front of the barn, your day can have an al fresco feeling, whatever the time of year.

The barn works perfectly for larger numbers with space for up to 180 guests dining and up to 250 guests for the evening party. The Knot is traditionally used for your Wedding Breakfast leading into your evening party. The transition from drinks reception in the house, walking over the moat bridge and up the board walk past the cricket pitch is a magical experience.

Cottages

Ivy Cottage

Dating back to the 18th Century, Ivy Cottage was once home to the estate's gamekeeper and has now been lovingly converted into a picture perfect, one-bedroom retreat. Ivy Cottage sits just 200 metres away from the Manor House and Knot barn and includes a private terrace, outdoor hot tub with far-reaching views over the estate and woodlands. Inside, you'll find a homely yet modern kitchen with a traditional cream Aga. Ivy's cosy sitting room has a warming wood burner with all the kindling and logs you could need for curling up on the sofa with a film or book.

Climb the stairs to the super king bed and beautiful bathroom, complete with walk-in shower, teardrop free-standing bath and plasma TV. The perfect place to book the night before your wedding.

Wood Cottage

On the edge of the Brinsop Estate, the beautiful and newly refurbished Wood Cottage is tucked a little further away, making it the perfect escape!

Here, we've blended contemporary and rustic features, including an original wooden beamed ceiling, cosy wood burner, tear-drop bath and super king bed. The Wood Cottage is a great place to recharge.

Set within an enclosed garden, enjoy views across Herefordshire hills from the private terrace which includes an outdoor hot tub.

Full payment of £250 per cottage must be paid to confirm the booking of each cottage. The Cottages are let on Air B and B and based on first come first serve basis.

Glamping

Where's the camp?

The Glamping Tents are located in an ancient woodland enclosure behind The Knot and just a short stroll from the main Manor House. With an additional 12 tents you won't be short of accommodation!

What's included?

All tents have electric plug sockets, so guests can charge phones and other devices. Tents are equipped with clothes rails, mirrors, coir matting, silk linings (for the colder and warmer weather), proper beds and mattresses, with 2 duvet covers for extra warmth. A hairdryer, plug in heater, rugs, Egyptian cotton bedding, and a bedside table and lighting make add to this extra special glamping treat. We also have dedicated facilities on-site, including toilets and piping hot showers.

We have many suppliers that we are proud to work with. Upon booking you will receive a wedding bible which will have all our suppliers listed. You are welcome to use suppliers not on our list.

FAQs

Can I bring my dog? Absolutely! We welcome all (preferably well-behaved) dogs. They'll love lounging in front of the Aga. We can even provide a dog sitter should you request one for the duration of your stay.

Do we have to book the registrar separately?

Yes, it is a legal requirement that you contact the Registrar separately, unfortunately we can't do this for you. Please see our recommended suppliers list for details.

What are the check in and check out times for guests?

A one-night wedding stays have access to French and Butterfly bedrooms from 11am on your wedding day. Your house guests and day guests are then able to arrive from 1pm. Unfortunately, we are unable to accommodate an earlier check in to bedrooms, but our bar in the games room will be open from 12 noon, serving drinks, coffee/tea for early arrivals. For two-night weddings, you have access to the entire Manor House and The Knot barn from 3pm the day before the wedding. Bedroom Check out is at 9.30am and all guests must be off site by 10am for both packages.

Can I bring my own wedding decorations?

Yes, of course you can. You are welcome to personalise and decorate the various rooms and areas of Brinsop Court to suit your event style. We have put hooks for decorations in appropriate places to help with the set-up process. Please be aware that as a listed building, we cannot allow the use of tacks, nails, pins or blue tack to affix anything to the walls and beams. If in doubt, please ask us and we will be happy to help find a solution for you. All decorations must be removed prior to your departure.

Do you allow dry hire?

Unfortunately not. We have excellent bar facilities both at the Main House and The Knot and can work with you if you have any special requirements. We are unable to allow guests to bring any alcohol onsite.

Do you have a cake stand and cake knife?

Yes, we have a log cake stand, which is 16- 17" in diameter, and a silver knife that you are welcome to use. Please remember to add this to your wedding information planning document and include information regarding the tiers you would like cut/saved.

How do we book accommodation?

Please visit our accommodation portal at: rooms.brinsopcourt.com. Our couples have their own unique booking code to distribute to the guests they choose to stay here at Brinsop.

When is Glamping available at Brinsop?

Glamping is seasonal and available from Mid April through to Mid October.

What time do we need to finish our celebrations at night?

Live music and/or DJ are both welcome to play in the The Knot or Games Room until midnight.

How many guests can we have?

We can accommodate weddings here at Brinsop from 10 to 180 Day Guests! We can also accommodate up to 250 people for your evening party at The Knot with the addition of a marquee.

Do you allow candles and tea lights?

Yes, but please note that the banqueting hall is the only room in the house where candles are permitted. We are happy for candles and night lights to be used outside and in The Knot barn.

Should we pre-book taxis?

As we are located in a rural area, we highly recommend pre-booking a taxi for the end of the night. There are plenty of companies in Hereford who will drop off and pick up from Brinsop Court Estate.

Is confetti allowed?

Yes, although we ask that the confetti is either natural petals or bio-degradable. Sorry, no confetti canons.

Do you have disabled facilities?

Brinsop has a disabled ground floor super king bedroom and wet room. We have 3 additional en-suite bedrooms suitable for those with limited mobility – all on ground level. We can provide ramps for all stepped areas throughout the ground floor area meaning all 4 wings are accessible for any disabilities, just let us know if you require these. Please note that our library and banqueting hall are on the first floor. A lift is unavailable due to the building's historic age and listed status.

Do you allow fireworks?

Yes, but we need to know ASAP to alert residents nearby. Please note that fireworks must be used by 10pm and sourced through our sole supplier. Please see details on our favourite suppliers list. We also allow sparklers.
